## Meet Your Illinois Hospice and Palliative Care Colleagues at the Crossroads

Join your colleagues in hospice and palliative care, and others involved in caring for people with serious illness, from Illinois and the surrounding areas, on **Tuesday, June 13, from 4 to 6pm Central**, at the Hyatt Regency Schaumburg, for a **FREE** learning event sponsored by the **Home Centered Care Institute (HCCI)** entitled, *Bridging the Gap with Home-Based Primary Care*.

With value-based care increasing, home-based primary and palliative care is also on the rise. During the session, you will learn more about:

- The benefits of each type of care
- The value of bringing them together
- How to successfully implement them in a complex illness management model

Afterward, participants are invited to stay for an optional reception from 6 to 7:30pm, accompanied by hors d'oeuvres and cocktails, with **Champions** from **HCCI's Illinois House Call Project**.

**RSVP Now** to ensure you don't miss out on this important opportunity to learn, network, and take part in what will undoubtedly be a compelling and timely conversation (you will need to create an account to register): [bit.ly/CrossroadsofCare](https://bit.ly/CrossroadsofCare)
