INSTITUTE

**FREE Hospice & Palliative
Care Learning Event**

Thursday, March 7
4:00 pm – 6:00 pm Central

Network with Your Illinois Hospice and Palliative Care Colleagues Once Again!

Join your colleagues in hospice and palliative care, and others involved in caring for people with serious illness, on **Thursday, March 7, 2024, from 4 to 6pm Central**, for a free learning event, entitled *Contracting with Payers to Demonstrate the Value of Home-Centered Care*. The session, held at 1900 E. Golf Rd., 4th Floor, Schaumburg, IL, is the last in the *Crossroads of Care* series sponsored by the **Home Centered Care Institute (HCCI)**.

With value-based care increasing, home-based primary and palliative care is also on the rise. During the session, participants will:

- Learn more about the various payer types relevant to home-based primary care and home-based palliative care
- Identify key individuals to connect with when negotiating contracts
- Understand how to demonstrate the value of your home-centered care services through the presentation of quality-of-care metrics, utilization and outcomes data, and compelling patient stories
- Receive educational resources to share with your team
- Network with your colleagues, and share best practices and lessons learned

A light dinner and beverages will also be served.

If you are outside Illinois and are interested in bringing a similar project to your community, contact HCCI at info@hccinstitute.org or 630-283-9200.

Pre-Register Today

Receive a free resource,
*Key Metrics for Demonstrating the
Value of HBPC Programs* (\$40 value),
for registering by **Friday, March 1**.
