Job Title: Home-Based Medical Care - Registered Nurse (RN)

Location: Community-Based / Patient Homes

Type: Full-Time

Organization: [Your Organization Name]

Redefine Nursing - Deliver Compassionate Care in the Comfort of Home

Make a meaningful impact—one home at a time.

Are you a skilled and compassionate RN ready to bring care directly to patients where they feel safest—their homes? Join our mission-driven team delivering **primary care, palliative, and hospice services** in a dynamic, deeply personal setting. This role offers autonomy, flexibility, and the opportunity to form meaningful connections with patients and families.

What You'll Do

- Provide skilled nursing care including assessments, medication administration, wound care, and symptom management.
- Educate patients and caregivers on disease management, medications, and care plans.
- Travel independently to patient homes across your designated service area.
- Work solo in the field while maintaining strong communication with the care team.
- Document care accurately and promptly using electronic health records (EHR).
- Monitor patient status and escalate concerns to providers or supervisors as needed.
- Support transitions of care, including hospital discharges and hospice enrollment.
- Participate in interdisciplinary team meetings and contribute to holistic care planning.

What We're Looking For

- Active RN license in the state of practice.
- Minimum 2 years of nursing experience—home health, palliative, or hospice preferred.
- Valid driver's license and reliable transportation.
- Comfortable working independently in varied and unpredictable home environments.
- Proficient in EHR systems and mobile documentation tools.

You'll Thrive Here If You Have:

- **Clinical Autonomy** – Confidence to make sound nursing decisions in the field.
- **Emotional Intelligence** – Sensitivity to patient and family dynamics.
- **Adaptability** – Comfort with changing environments and patient needs.
- **Cultural Competence** – Respectful care delivery across diverse populations.
- **Strong Communication** – Clear, compassionate, and professional interactions.

Why Join Us?

- Flexible scheduling to meet patient needs.
- A supportive, interdisciplinary team.
- Opportunities to shape the future of home-based care.
- A mission-driven culture focused on dignity, compassion, and quality.
